

**INSTITUTO PEDAGÓGICO PARA EL  
DESARROLLO INTEGRAL  
“CREAR”**

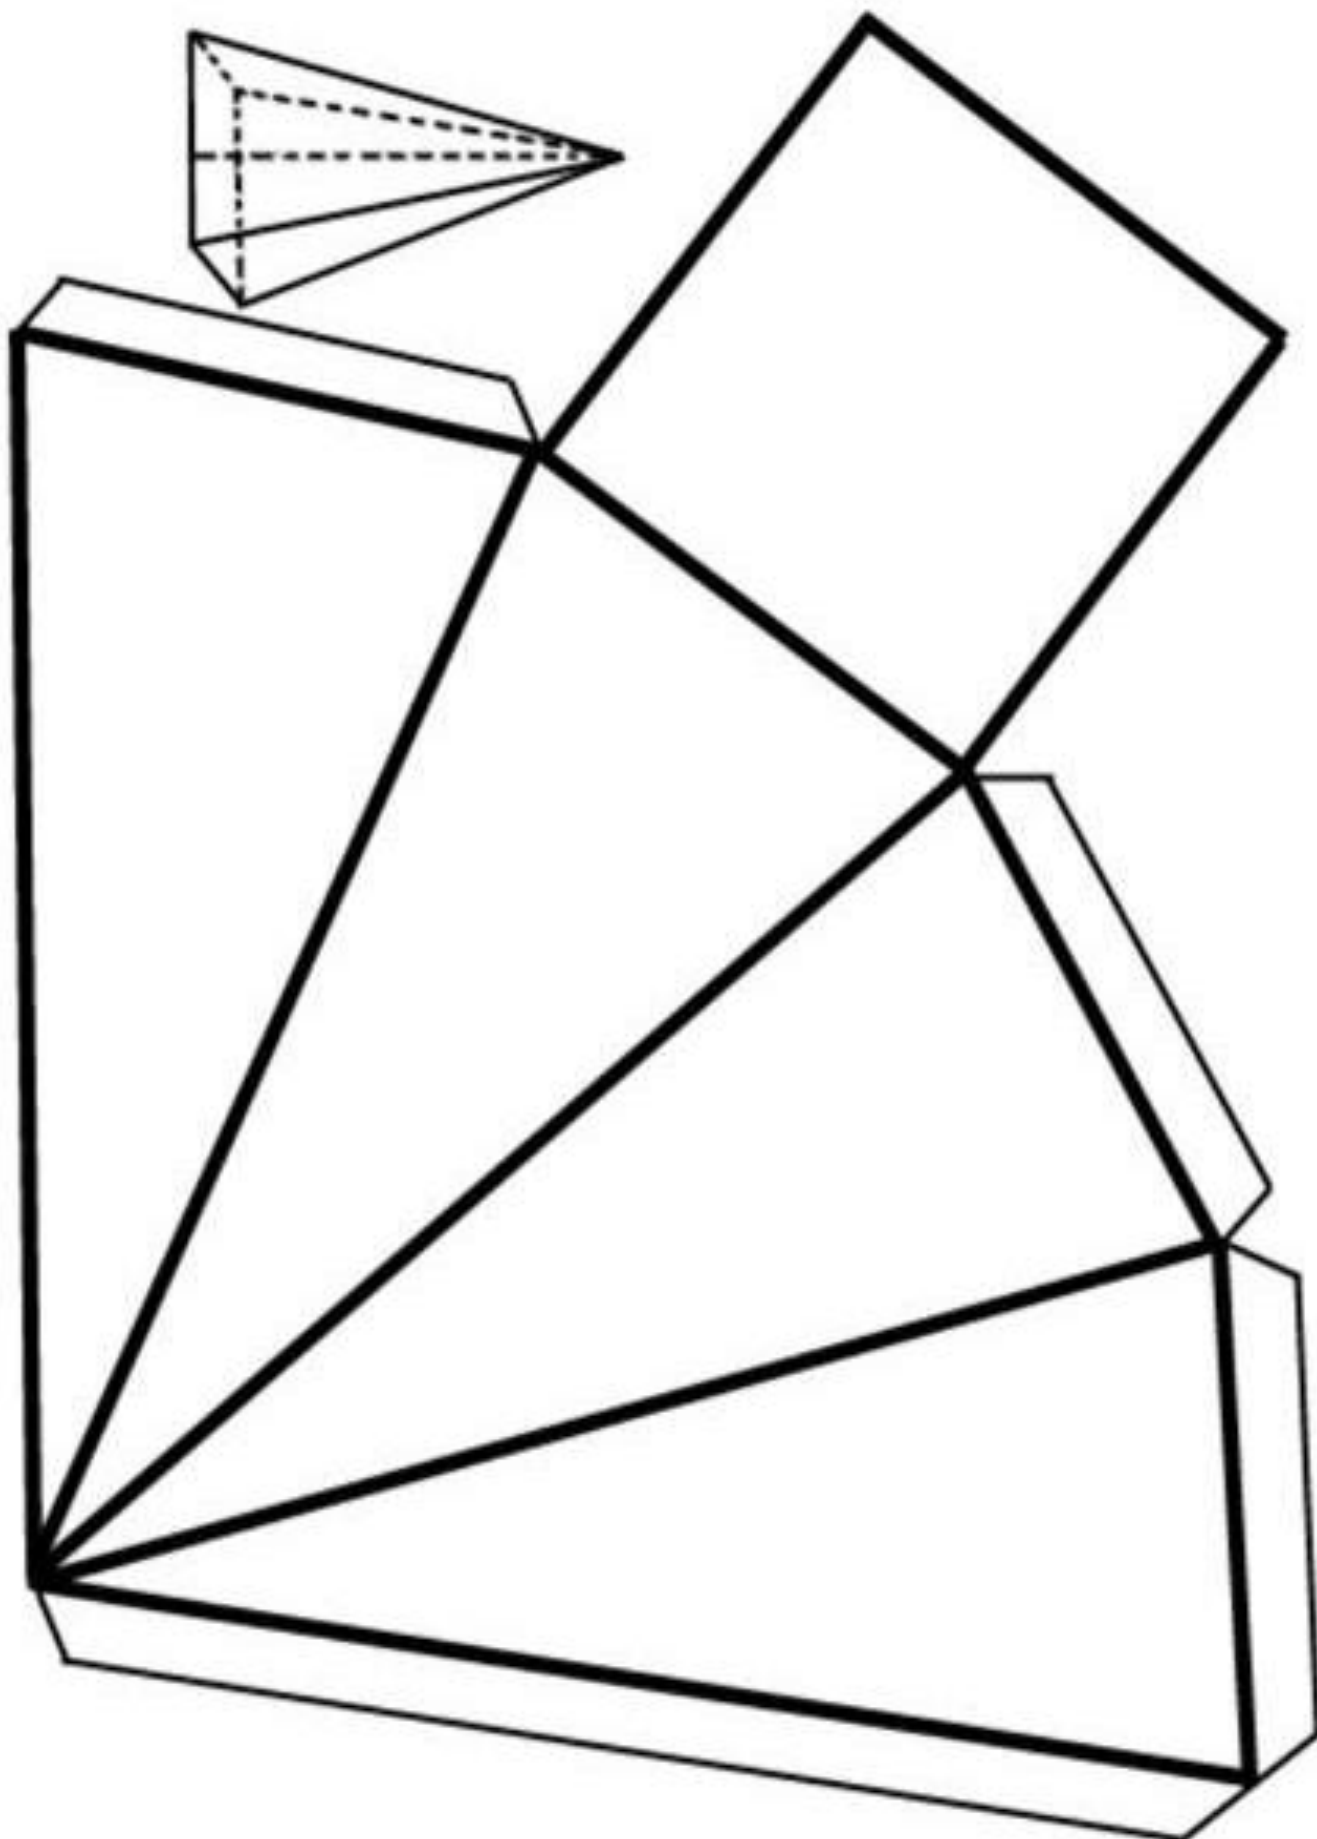

Buen día, a continuación se envían los moldes para construir en casa los sólidos geométricos, a cada estudiante se le asignó 1 sólido y debe traerlo la próxima semana debido a que es nota de quiz y aparte ayudan a resolver varias páginas del libro. Cada estudiante debe imprimir el molde, pegarlo en cartón cartulina y unirlo para formar cada sólido, no deben ampliar el molde porque dañarán la forma del sólido, deben imprimir tal cual se encuentra en el archivo
